APPLICATION STATUS UPDATES

Our licensing examiner will send you a written status update upon the initial screening of the application.

CERTIFIED TRUE COPIES

To obtain a certified true copy, take the original document to a notary public so he/she may compare the original to the photocopy of the document. **The notary must write "I certify this to be a true copy of the original document." on the photocopy and attest to the fact by signing and notarizing the document.**

COMPLETION OF THE APPLICATION FORMS

Help us do a good job processing your application: type or print legibly all application documents. Please read the instructions and give careful thought before answering the questions in the application - remember - you are certifying that the information is truthful and correct. Make sure all notary seals are properly affixed on the application and all documentation has been properly certified as required. Provide all documents requested in the application; incomplete applications will delay processing.

Each question in the application must be answered. Attach separate sheets of paper, labeled with your name and signed by you, for any question for which you have provided a YES response

Failure to answer all questions completely and accurately, or the omission or falsification of information may be cause for denial of your application or disciplinary action if you are subsequently permitted by the board. WHEN IN DOUBT, DISCLOSE ALL INFORMATION OR CALL OUR OFFICE.

CONFIDENTIALITY

The contents of licensing files are generally considered public. If you believe the additional information you are attaching to explain a “yes” answer should be held confidential, so state in the attachment. A request for confidentiality may or may not be granted.

FAX DOCUMENTS

Fax copies of documents are **NOT** accepted for documentation or verification in our licensing process.

FEES

Fee for a resident application and permit: **\$50**

All applications must be accompanied by the appropriate fees. Personal checks, cashier’s checks, or money orders must be made payable to the State of Alaska. Incorrect fees will delay processing of your application.

FOREIGN LANGUAGE DOCUMENTS

All foreign language documents must be certified true copies and must be accompanied by a certified translation into English by a recognized translator.

LICENSE APPLICATION PROCESSING STAFF

If your last name begins with the letters A through K, you may contact your licensing examiner at 907/465-2756.

If your last name begins with the letters L through Z, you may contact your licensing examiner at 907/465-2541.

LICENSING PROCESS

Submit your complete application to the board with fees and pertinent documents. The licensing examiner assembles the documents for your file and advises the applicant of the application status. Upon the completion of the application file when all documents have been received from other organizations, the file is forwarded to the board’s administrator who reviews the entire file. At the discretion of the administrator, a resident permit may be issued.

Applications will be processed in the order in which they are received in the board’s office. Please insure that you apply well in advance of your need for the permit or license. Board staff will not expedite one application before another.

PAYMENT OF CHILD SUPPORT AND STUDENT LOANS

If the Alaska Child Support Enforcement Division has determined that you are in arrears on child support, or if the Alaska Commission on Post-Secondary Education has determined you are in loan default, you may be issued a nonrenewable temporary license valid for 150 days. Contact Child Support Services at (907) 269-6900 or the Post-Secondary Education office at (907) 465-2962 or 1-800-441-2962 to resolve payment issues.

PERSONAL INTERVIEWS

Applicants for medical licensure in Alaska may be required to have a personal interview either with an individual board member or with the full board. Should an interview be required, you will be notified and an interview scheduled. An interview may be required if, during the processing of your application, a question arises for which the board determines it requires additional information from you.

PROCESSING TIME

In general, average processing time for a resident permit is six to eight weeks. **PLEASE PLAN ACCORDINGLY.** Application processing time depends to a large extent on the response time from other organizations. Time required also depends upon our workload and the volume of applications being processed. Because the length of processing time for your application may vary considerably, we urge you to be patient until our processing is complete and the permit is issued.

If there are any “Yes” responses or if adverse information is received, it will typically take longer to gather and evaluate additional data. If the application is referred to the Investigations Unit for investigation of a particular issue, processing time is extended by the time required to complete an investigation. Since investigations must be prioritized, it may take longer to complete the file.

SOCIAL SECURITY REQUIREMENT

Alaska Statute 08.01.060(b) requires an applicant for an occupational license to provide a United States social security number. Applicants who are foreign citizens and are unable to obtain a social security number must contact the division office for instructions. Social security numbers are required by federal law to be held confidential; we do not release these numbers to the public.

STALE DOCUMENTS

If during the license application process certain documents become older than six months from the date the document was received in our office, that document is considered to be stale and must be resubmitted. Affected documents include the application document, verifications of licensure from other licensing jurisdictions, the DEA clearance report and the FSMB Board Action Data Bank report.

TELEPHONE QUERIES

We have a very small staff and work hard to process applications as quickly as possible. Unnecessary telephone calls to our offices delay processing. If the licensing examiner must spend time answering numerous telephone queries, application processing time is affected. Because of the huge volume of telephone calls regarding the status of applications and because of privacy issues, **we must restrict our telephone responses to the applicant only**. We will not discuss your application with others. If you are concerned about your application being received in our office, mail it "certified – return receipt requested." You will have a verification of delivery returned to you by the post office.

WEBSITE ADDRESS

The Division of Corporations, Business and Professional Licensing maintains a website where you may check to see if your license or permit has been issued. The address is www.dced.state.ak.us/occ/Search3.htm.

The medical board's website is www.dced.state.ak.us/occ/pmed.htm.

"YES" RESPONSES

A "Yes" response in the application does not mean your application will be denied. If you have responded "Yes" to any question in the application, additional time will be required for the gathering and assessment of pertinent information. **You can expedite this process by providing with your application complete explanations and documentation for any "Yes" responses.**

HOW CAN YOU HELP?

- 1 First and foremost: apply far enough in advance to allow for application processing.
- 2 If you are concerned about your application being received in our office, mail it Certified - Return Receipt.
- 3 If you wish to expedite processing as much as you can, send all your verification request forms out via overnight mail and include a return overnight mail envelope addressed to the licensing examiner for the organization's use. This will help them to respond quickly.
- 4 Insure the application is complete when you submit it and provide any necessary explanations with the application. Print legibly or type your application.
- 5 Provide complete explanations for any "Yes" responses. It saves time if we don't have to contact you and request such information.
- 6 Provide a brief description for any malpractice claims describing the allegation, the nature of the case, your level of involvement, and the resolution of the case.

WHEN IN DOUBT, DISCLOSE AND EXPLAIN.
