TO REQUEST A VERIFICATION OF LICENSURE

The Alaska State Medical Board is pleased to announce that we have teamed up with VeriDoc, Inc. to provide immediate verifications of licensure for our physicians to our sister state medical boards.

If you need a verification of your Alaska physician license sent to another state medical board:

Go to www.veridoc.org and follow the instructions to create and send a verification. The verification will be sent immediately. The fee is \$30. The verification will be sent via computer and so transfer of information occurs immediately.

If you need to have a verification of licensure sent to any other organization, not a state medical board, please send your request, along with a check or money order in the amount of \$20 payable to the State of Alaska, to:
