Determining Benefit to Low and Moderate Income Persons

Who must submit this appendix with their application?

Every applicant for CDBG funds, regardless of project or category.

What is the purpose of this appendix?

The national objective of the CDBG program is to benefit Low to Moderate Income persons. Every applicant for CDBG grant funds must submit this appendix in order to verify that they meet this national objective.

On the following pages is a checklist, which addresses each way in which a project can meet this national objective. You must work through the checklist until one of the starred notations indicates you need go no further.

Note: If a project that meets the job creation benefit is located in a primarily residential area, you must also show that you meet the area-wide benefit.

Note: Planning applications must demonstrate that at least 51% of the persons who would benefit from implementation of the plan, or a project which results from the plan, are low and moderate income.

Section 1: LMI Area-Wide Benefit

Complete Section 1 if you think your project meets the definition of an **Area-Wide Benefit** as defined on Pages 21 & 22 of the CDBG Handbook.

1. Identify the community your project will serve. _____

*** Note: If more than one community will be served, contact DCCED for an LMI determination.**

2. Will your project serve the residents of the entire community? Yes No

3. If you answered Yes to question #2, refer to Part 1 of Appendix B. Is your community, identified by census data, as being at least 51% low and moderate income according to Part 1 of Appendix B? Yes No

★ If you answered YES to both questions #2 and #3, your project most likely meets the criteria for providing an Area-Wide Benefit to Low and Moderate Income residents. You need go no further.

4. If you answered Yes to question #2 above, but No to question #3 above, you will need to contact DCCED for information on conducting a survey to show that the income figures provided by census data in Part 1 of Appendix B are no longer valid and that your community is in fact at least 51% low and moderate income.

5. Do the figures in Part 1 of Appendix B indicate that you must conduct a survey? Yes No

6. Have you contacted DCCED for survey methodology and followed those instructions in conducting your survey? Yes No

7. Did you complete and include the survey materials in your application packet as required? Yes No

8. Did the survey results indicate that the residents of the entire community are at least 51% low and moderate income as defined by census data income guidelines in Part 2 of Appendix B? Yes No

★ If you answered YES to questions #5, #6, #7, and #8, your project most likely meets the criteria for providing an Area-Wide Benefit to at least 51% low and moderate income residents. You need go no further.

Section 1: LMI Area-Wide Benefit

Page Two

9. If you answered No to question #2, you will need to identify the specific area within your community which will be served by this project and contact DCCED for information on conducting a survey to show that the residents of that area are at least 51% low and moderate income as defined by census data.

Specific area within the community to be served:

10. After identifying the specific area within your community to be served by the project, have you contacted DCCED for survey methodology and followed those instructions in conducting your survey? Yes No
11. Did you include the survey materials in your application packet as required? Yes No
12. Did the survey results indicate that the residents of the area to be served are at least 51% low to moderate income as defined by census data guidelines in Part 2 of Appendix B? Yes No

★ **If you identified the specific area to be served in question #9 and answered Yes to questions #10, #11 and #12, your project most likely meets the criteria for an Area-Wide Benefit to at least 51% low and moderate income persons. You need go no further.**

Section 2: LMI Limited Clientele

Complete Section 2 if you think your project meets the criteria for Limited Clientele as defined on Pages 23 & 24 of the CDBG Handbook.

1. Will your project benefit one of the specific groups of people listed below? Yes No

If yes, please check the group to be served by this project:

- | | |
|---|---|
| <input type="checkbox"/> Abused Children | <input type="checkbox"/> Severely disabled adults |
| <input type="checkbox"/> Elderly Persons | <input type="checkbox"/> Illiterate adults |
| <input type="checkbox"/> Battered Spouses | <input type="checkbox"/> Migrant Farm Workers |
| <input type="checkbox"/> Homeless Persons | <input type="checkbox"/> Persons living with the disease AIDS |

★ If you answered Yes to question #1 and checked the appropriated group, your project most likely meets the Limited Clientele criteria for serving 51% low and moderate income persons. You need go no further.

2. If you answered No to question #1, you will need to identify the specific group of people your project will serve and provide information to show that at least 51% of those persons have income at or below the income figures listed in Part 2 of Appendix B.

Specific area within the community to be served:

3. Have you provided family size and financial information which shows that at least 51% of the persons who make up the group identified in question #2 above have income at or below that shown in the income tables in Part 2 of Appendix B? Yes No
4. Have you included this family size and income information with your application? Yes No

★ If you identified a specific group to be served in question #2 above and answered Yes to questions #3 and #4, your project most likely meets the Limited Clientele criteria for serving at least 51% low and moderate income persons. You need go no further.

Section 2: LMI Limited Clientele

Page Two

5. Does your project impose income eligibility requirements, which limit the activity exclusively to low and moderate income persons as defined by census data in Part 2 of Appendix B? Yes No
6. Is your project of such a nature and location that it may be concluded that the activity's clientele will primarily be low and moderate income persons as defined by census data in Part 2 of Appendix B? Yes No

If yes, please check the appropriate category:
- Construction of a Senior Center

Yes No

★ If you answered Yes to ANY of the questions asked in #5, #6, #7 OR #8, your project most likely meets the Limited Clientele criteria for serving at least 51% low and moderate income persons. You need go no further.

Section 3: LMI Housing Activities

Complete Section 3 if you think your project meets the criteria for **Housing Activities** as defined on Page 24 of the CDBG Handbook.

Note: The State of Alaska CDBG Program does not target Housing Activities.

1. Does your project include activities, which add or improve permanent residential structures which are either owner or renter occupied one-family or multi-family structures? Yes No
2. Upon completion of the residential units, will at least 51% of the units of the project be occupied by low and moderate income persons, with renter units available to low and moderate income persons at affordable rents? Yes No

★ If you answered Yes to questions #1 and #2 above, your project most likely meets the Housing Activities criteria for serving at least 51% low and moderate income persons. You need go no further.

3. Does your project include one of the following examples of potentially eligible housing activities? Yes No
If yes, please check the appropriate category:
 - Acquisition of property for permanent housing
 - Rehabilitation of permanent housing
 - Conversion of non-residential structures into permanent housing
 - Eligible activities connected with new housing construction (e.g. site improvements, and “soft costs“)

★ If you answered Yes to question #3 above and checked the appropriate activity, your project most likely meets the Housing Activities criteria for serving at least 51% low and moderate income persons. You need go no further.

Section 4: Job Creation & Retention

Complete Section 4 if you think your project meets the criteria for **Job Creation & Retention** as defined on Pages 24 & 25 of the CDBG Handbook.

Note: Planning Activities are not, in and of themselves, recognized by HUD as resulting in job creation or retention. You may not use Job Creation and Retention for meeting the National Objective for a Planning Application.

Note: If a project that meets the job creation benefit is located in a primarily residential area, you must also show that you meet the area-wide benefit (Section 1).

1. Does your project create or retain jobs (as defined on pages 24 & 25 of the CDBG Handbook) which are held or which will be available to Low and Moderate Income persons? Yes No
2. Have you completed and signed the attached Job Creation and Retention Certification Forms? Yes No
3. Are you prepared to report monthly to DCCED on your progress in meeting Job Creation and Retention requirements? Yes No

★ You are asked to identify the specific jobs to be created and/or retained in your CDBG Application under Project Impact.

Appendix
B2

Job Creation/Retention Forms

Who must submit this appendix with their application?

Any applicant for CDBG grant funds who is meeting the LMI Benefit in Appendix B1 through Job Creation/Retention activities. You may not use Job Creation and Retention for meeting the National Objective for a Planning Application.

All projects meeting the LMI benefit through Job Creation/Retention activities must document and report the Ethnic/Racial characteristics of the persons who fill the job positions.

What is the purpose of this appendix?

An applicant proposing to meet the LMI benefit through job creation/retention is committing to required job tracking criteria. The first page of this Appendix is to be filled out (indicate the number of jobs involved) and submitted with your application. The second and third pages are for your information, and need not be submitted at this time; these will be required reports during the life of your grant, if funded.

Job Creation/Retention Certification

The Applicant, by signature and submittal of this application, acknowledges the requirement that, if awarded, this Community Development Block Grant Project will, during the life of the project or within two years of the start date of the project, whichever is less, result in either the creation of _____ (number) permanent, full-time equivalent jobs, 51% of which must be filled with persons of low and moderate income households, or the retention of _____ (number) permanent, full-time equivalent jobs held by LMI persons. Job titles and descriptions for those jobs expected to be created or retained are attached.

A full-time equivalent job is defined as one in which the incumbent works at least forty (40) hours per week on a year-round basis. Low to moderate household income is defined as 80% of the median household income for the employee's family size for the area in which the project is located. Median household income information for the area in which this project is located is identified on the Income Limits Table, which is a part of Appendix B. Updates to this income data will be provided by the Department to the applicant as made available through HUD.

The applicant acknowledges that in order to justify expenditure of CDBG funds as outlined in this application and any subsequent grant agreement, the applicant will be required to maintain and submit information to the Department **monthly** which documents Job Creation activities and progress in meeting placement goals for LMI persons. This documentation will include the following information, which will be collected through use of the attached **Employee/Job Applicant Certification Form**, attached:

1. Name, address, and social security number of each applicant for all jobs created by this project;
2. Household size for each job applicant;
3. Household income for each job applicant.
4. Racial/Ethnic Characteristics

Copies of each Employee/Applicant Certification Form will be submitted to the Department monthly by the Grantee.

Additionally, the Applicant/Grantee will be required to submit a **Job Creation Monthly Report**, copy attached, which summarizes the specific jobs created during the monthly reporting period, as well as the name, household income, family size, and date of hire for new hires during the month being reported. Racial/Ethnic characteristics will also be included.

The Applicant/Grantee further understands that failure to meet the job creation projections outlined in this certification and any subsequent grant agreement will result in withholding payment or a request for repayment of all or part of the grant funds.

Definitions: Income: Income includes all money or its equivalent received by members of a household in exchange for labor or services, from the sale of goods or property, public assistance payments, or as profit from financial investments. For clarification of special circumstances, contact your Grant Administrator.

Full-time equivalent: A position in which the employee works at least 40 hours per week (2,080 hours per year) on a year-round basis. A full-time equivalent position can result, for example, from two part-time permanent employees working 20 hours per week each. For clarification of special circumstances, contact your Grant Administrator.

Household/Family: A household consists of all members of a family, both adults and children, regularly sharing a single dwelling.

Employee Job Applicant Certification

The City/Borough to which you are now applying is the recipient of financial assistance through the State of Alaska's Small Cities Community Development Block Grant (CDBG) Program. As part of the program requirements, the City/Borough must report the number of jobs created for persons from low to moderate income households. This information is not part of the selection process and will not be used in determining which persons will be hired. This information is being requested to assist the City/Borough in satisfying the U.S. Department of Housing & Urban Development's requirements for documentation of the beneficiaries of CDBG assistance.

Low and Moderate Income Tables

Who must submit this appendix with their application?

Appendix B3 is for your information only, and need not be submitted with your application. The 2010 Census data was not available at the time this application packet was prepared; however, it may be available prior to the award of the FFY11 grants. If so, the most current data will be used when determining if projects are eligible.

What is the purpose of this appendix?

Part 1 of Appendix B3 indicates whether your city(ies) meets the LMI benefit on an area-wide basis. This will assist you in completing Appendix B1. Part 2 of Appendix B3 indicates the median family income for your area.

Update reports will be made available along with the disclosure reports, but in no case for a period generally less than three years. You must provide all the required information. Failure to provide any required information may delay the processing of your application, and may result in sanctions and penalties, including imposition of the administrative and civil money penalties specified under 24 CFR §4.38.
