15.65.025 Restrictions on discharges into wastewater disposal systems.

A. A person may not cause or permit any machinery cooling water, footing water, surface water or roof drainage water, or hazardous substance to be discharged into any on-site wastewater disposal system.

B. A person may not cause or permit any object or substance to be placed in any on-site wastewater disposal system which might hinder the operation of the on-site wastewater disposal system.

(AO No. 86-21; AO No. 90-48(S-1))
