

JUNEAU CODE OF ORDINANCES

75.02.060 Private sewage disposal.

(a) When a public sanitary or combined sewer is not available under the provisions of section 75.02.050, the building sewer shall be connected on a private sewage disposal system which shall be examined by an inspector to ensure compliance with all requirements of pertinent ordinances, rules, regulations or statutes.

(b) At such times as a public sewer becomes available to a property served by a sewage disposal system as provided in section 75.02.050, a direct connection shall be made to the public sewer in compliance with this chapter, and any septic tanks, cesspools and similar private sewage disposal facilities shall be abandoned and filled with suitable material.

(c) The owner shall operate and maintain the private sewage disposal facilities in a sanitary manner at all times, at no expense to the City and Borough, and all such private sewage facilities, as herein provided, shall be the responsibility of the user or owner of the private sewage disposal system, and the City and Borough is in no way responsible for any maintenance or repair, or stoppage or breakage, nor for any damages resulting therefrom, in such private sewage disposal systems.

(d) No statement contained in this section shall be construed to interfere with any additional requirements that may be imposed by municipal or state health officials.
