Verification of licensure to another state (with written request)	\$20
Returned check fee.....	\$20
Alaska business license (separate application)	\$100
Address change (must be in writing)	no fee

GENERAL INFORMATION

No board of geologists has been established by statutory authority. Geologist certification in Alaska is based solely upon the registration requirements of the American Institute of Professional Geologists (AIPG). If you are not already certified by the American Institute of Professional Geologists, contact it directly for an application package: AIPG, 1400 West 122nd Avenue #250, Westminster, CO 80234, (303) 412-6205, website: www.aipg.org. Upon issuance, geologist certifications have no expiration date and require no renewal fees or continuing education.

APPLICATION PROCESSING - If the application is incomplete, you will be notified of incomplete and/or incorrect documents or fees. When approved, certifications are usually issued within two to three weeks of the division's receipt of a complete and correct application, supporting document and fee. After the certification (and wall certificate, if applicable) are issued, they will be sent to you with an accompanying cover letter.

SOCIAL SECURITY NUMBERS - AS 08.01.060 and 08.01.100 require that a U.S. Social Security Number be on file with the division before a professional license is issued or renewed. If you do not have a U.S. Social Security Number, please complete the "Request for Exception from Social Security Number Requirement" form located at www.commerce.state.ak.us/occ OR contact the division for a copy of the form.

PAYMENT OF CHILD SUPPORT AND STUDENT LOANS - If the Alaska Child Support Enforcement Division has determined that you are in arrears on child support, or if the Alaska Commission on Post-Secondary Education has determined you are in loan default, you may be issued a nonrenewable temporary license valid for 150 days. Contact Child Support Services at (907) 269-6900 or the Post-Secondary Education office at (907) 465-2962 or 1-800-441-2962 to resolve payment issues.

ADDRESS OR NAME CHANGE - In accordance with 12 AAC 02.900, it is the applicant's/licensee's responsibility to notify the division, in writing, of changes of address or name. Name and address change notification forms are available on the division's website. The address of record with the division will be used to send renewals and all other official notifications and correspondence. The name appearing on the license must be your current legal name.

STATE BUSINESS LICENSE - State of Alaska business license laws require a geologist who practices independently, i.e., on a contract basis or is not considered an "employee," to have both a professional geologist certification and a state business license. A geologist who is an employee of a firm that holds a business license does not need a separate business license. There is a separate business license application and \$100 fee for a two-year license. An application may be obtained by writing to the Division of Corporations, Business and Professional Licensing, Business License Section, P.O. Box 110806, Juneau, Alaska 99811-0806; by calling (907) 465-2550; or accessing the division's website at www.commerce.state.ak.us/occ.

ABANDONMENT - Under 12 AAC 02.910, an application is considered abandoned when 12 months have elapsed since correspondence was last received from or on behalf of the applicant. An abandoned application is denied without prejudice and the application fee is forfeited. At the time of abandonment, the division will send notification to the last known address of the applicant, who has 30 days to submit a written request for a refund of license and other fees paid. If no request for refund is received, all fees are forfeited.
